Section V. Special Conditions of Contract

(Infrastructure Projects)

Notes on the Special Conditions of Contract

Similar to the **Error! Reference source not found.**, the clauses in this Section are intended to assist the Procuring Entity in providing contract-specific information in relation to corresponding clauses in the GCC.

The provisions of this Section complement the GCC, specifying contractual requirements linked to the special circumstances of the Procuring Entity, the Procuring Entity's country, the sector, and the Works procured. In preparing this Section, the following aspects should be checked:

(a) Information that complements provisions of **Error! Reference source not found.** must be incorporated.

(b) Amendments and/or supplements to provisions of **Error! Reference source not found.**, as necessitated by the circumstances of the specific project, must also be incorporated.

However, no special condition which defeats or negates the general intent and purpose of the provisions of **Error! Reference source not found.** should be incorporated herein.
