Subject: INVITATION FOR THE OPEN DATA MANAGEMENT TRAINING

Dear **Mr. Malano**:

The DICT values the initiatives of the Philippine Atmospheric, Geophysical and Astronomical Services Administration in disclosing open government data.

As a valued partner, we are inviting you and one (1) representatives from your office to attend the **Open Data Management Training** on **September 21-22, 2017** at **Hive Hotel and Convention Place, Quezon City**.

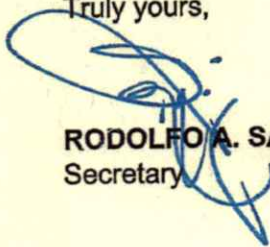

The training will equip participants with basic and intermediate knowledge on data curation to properly manage and organize your data. It will also assist your team on data analysis that is necessary for decision and policy-making.

Please accomplish the **Freedom of Information's Agency Information Inventory**, which can be downloaded at <http://rebrand.ly/OpenData> on or before September 20, 2017. Your team will work on actual DOST-PAGASA datasets for the duration of the training to produce data that are easier to manage and analyze.

The program for the workshop and confirmation forms are attached herewith. For further information or clarifications, please have your office contact Mr. Marc Jasthine A. Arciga (jasthine@asti.dost.gov.ph, 920-01-01 loc.2621) of the Open Data Philippines.

Thank you.

Truly yours,

RODOLFO A. SALALIMA
Secretary
