Subject: Urban Meteorology, Environment and Climate Services Course, 28 August to 8 September 2017 at University of Reading Malaysia campus, Puteri Johor, Malaysia

Action required: For information and appropriate action, as necessary

Dear Sir/Madam,

I have the pleasure to inform you that the University of Reading in their new University of Reading Malaysia campus in Puteri Johor, Malaysia will host an Urban Meteorology, Environment and Climate Services Course, from 28 August to 8 September 2017.

The course will be conducted in English. The aims of the course are to introduce basic principles of how urban areas impact the atmosphere, consider the impact of the urban surface on meteorological observations, identify climate services that are of interest in the urban area, and consider how environment, climate and weather services can be delivered.

Participants should have as prerequisite knowledge a basic understanding of micrometeorology, boundary layer meteorology, surface based observations, and atmospheric pollution processes.

Please find attached the Course Information (Annex 1) and Participant Nomination Form (Annex 2).

Those who are interested, please accomplish the attached Application Form and have it signed by your immediate Supervisor and Division Chief, and submit to the PPDC Secretariat, Fellowships/Scholarships Unit on or before **23 JUNE**, 2017.
