MEMORANDUM

FOR : Heads of DOST Agencies, Regional Offices, DOST-CO Services and Executive Offices

FROM : CAROL M. YOROBE
Undersecretary for Scientific and Technological Services and Chairperson, DOST-HRDP Committee

DATE : 19 June 2017

SUBJECT : Invitation to the Regional Train the Trainers Course for Radiation Protection Officers of Medical and Industrial Facilities

Please be informed that the International Atomic Energy Agency (IAEA) is inviting the Department of Science and Technology (DOST) to nominate qualified candidate/s for the Regional Train the Trainers Course for Radiation Protection Officers of Medical and Industrial Facilities to be held in Bangkok, Thailand from 2 to 6 October 2017.

The course will provide participants with theoretical knowledge of roles, duties and competence of a radiation protection officer of medical and industrial facilities, in order to act as trainer of radiation protection officers.

Participants will have secondary or tertiary education with a relevant technical or scientific background in the field of radiation safety. They should be very familiar with the role and duties of the radiation protection officer.

Those who are interested, please accomplish the attached Application Form and have it signed by your immediate Supervisor and Division Chief, and submit to the PPDC Secretariat, Fellowships/Scholarships Unit on or before **30 JUN**, 2017.
