GENERAL COMMENTS

Philippine Commission on Women

August 13, 2021

- Thank you for submitting PAGASA's FY 2020 Gender and Development Accomplishment Report (GAD AR). It is noted that the GAD expenditure at 6.04% is compliant to the 5% mandated by law. For planned activities that were not implemented in 2020 due to the COVID19 pandemic, you may want to include them in the 2022 GPB.

- Kindly refer to the specific comments then revise accordingly when necessary.

Thank you for submitting your FY 2020 GAD Accomplishment Report (GAD AR). Please find below our comments for its enhancement as follows:

Philippine Commission on Women

1. The total percent of GAD Allocation of the agency should be 18%. The change was made since there was a mistake reflecting the actual cost in the Row 19 of the Attributed Program, which the amount to be reflected should be 167,106,541.92 instead of 167,541.92. Thus, kindly revise the cost in Row 19 and the total actual GAD expenditure.
