WHEREAS, in response to the above advertisement, **two (2) participating bidders** namely: 1) **Lightnet Connect System Corp.**, and 2) **Quanby Solutions, Inc.** expressed their intention to participate in the bidding of the aforesaid Project, on the scheduled **Pre-bid conference** conducted by the PBAC on **25 March 2025**;

WHEREAS, on **08 April 2025**, the schedule for **Submission, Receipt and Opening** of Envelope I (Eligibility and Technical Components) and Envelope II (Financial Component), **no bids** were received by the BAC for the above-entitled Project.

WHEREAS, the PAGASA-BAC, by virtue of its functions provided for under the procurement law including its revised implementing rules and regulations (IRR), has determined that the project is within the threshold for Small Value Procurement;

WHEREAS, under the applicable provisions of RA 9184 and its 2016 Revised Implementing Rules and Regulations (IRR), Small Value Procurement is an alternative method of procurement that is suitable for projects with relatively low value and complexity, allowing for a simplified process;

WHEREAS, after a careful evaluation it was moved and unanimously concurred by all members of the BAC present that the said Project be undertaken by resorting to **Alternative Method of Procurement, through Negotiated Procurement – Small Value Procurement, under Section 53.9** of the Revised Implementing Rules and Regulations of R.A 9184 based on the following considerations:

- Section 53.9** of the Revised IRR of RA 9184 allows the procuring entity to resort to Alternative Methods of Procurement, specifically, Small Value Procurement where the procurement does not fall under Shopping of Section 52 of the Revised IRR and the amount involved does not exceed the thresholds prescribed in Annex "H" (Consolidated Guidelines for the Alternative Methods of Procurement) of the Revised IRR in the amount of One Million Pesos (Php1,000,000.00) for NGAs, GOCCs, GFIs, SUCs and Autonomous Regional Government;
- The resort to said Alternative Method of Procurement could significantly reduce the timelines of the bidding process, without disregarding the pertinent provisions of RA 9184, thereby speeding up the completion and realization of the results of said capacity building of PAGASA's personnel, to the greater advantage of the Agency; and

3. The resort to said Alternative Method of Procurement may be delegated to the End-user unit or any other appropriate bureau, committee, or support unit duly authorized by the BAC through a Resolution approved by the HOPE, pursuant to Annex H, Section J, Delegation of Authority of the IRR of RA 9184.

NOW, THEREFORE, We, the Members of the Bids and Awards Committee, hereby **RESOLVE** as it is hereby **RESOLVED**:

- a) to **DECLARE**, the **1st failure of bidding** for the above-entitled Project”;
- b) to **RECOMMEND**, the resort to **Alternative Method of Procurement through Negotiated Procurement – Small Value Procurement** under Section **53.9** of the Revised IRR of R.A. 9184 the procurement of Lot A and B – Supply, Delivery and Testing of Various ICT Equipment project in the amount of *“Five Hundred Thousand Pesos only” (Php500,000.00)*;
- c) to **DIRECT**, the end-user unit to coordinate closely with the Procurement Unit for the above-stated purpose until the award and execution of the contract to and by the winning bidder; and
- d) to **RECOMMEND**, finally, the **APPROVAL** of the foregoing findings and recommendations.

RESOLVED, this **8th day of April 2025** at the Amihan Conference Room, 2nd Floor PAGASA Main Building, Science Garden Complex, Senator Miriam Defensor-Santiago Ave., Brgy. Central, Quezon City.
