

# Severe Tropical Storm Kristine 48 Hour Forecast

Philippine Atmospheric Geophysical  
and Astronomical Services  
Administration

## Storm Surge Warning #08

**Severe Tropical Storm Kristine**  
Issued: 2:00 AM, Thursday  
October 24, 2024

### Storm Surge Warning #08

A MODERATE to HIGH risk of storm surge may occur within the next 48-hours. There is a possibility of inundation due to rising sea water along with high waves in the low lying coastal communities in the municipalities of:

**See Attached List**

### Recommended Action

Residents living in the low-lying coastal communities are still advised to:

- > Stay away from the coast or beach;
- > Cancel all marine activities;
- > Be aware and follow the latest updates from PAGASA

NOTE: Inundation / flood depth due to storm surge depends on the topography of the area.

**STORM SURGE INFORMATION**  
**STORM SURGE: WARNING #08**  
**FOR: STS KRISTINE**

(Valid until the next storm surge information to be issued at 8 AM today)
