

Tropical Cyclone Ofel 48 Hour Forecast

Philippine Atmospheric Geophysical
and Astronomical Services
Administration

Storm Surge Warning #09

Tropical Cyclone Ofel
Issued: 2:00 PM, Thursday
November 14, 2024

Storm Surge Warning #09

A HIGH risk of storm surge
may occur within the next 48-hours.

There is a possibility of
life-threatening inundation from
rising sea water along with high
waves in the low lying coastal
communities in the municipalities
of:

See Attached List

Recommended Action

Residents living in the low-lying
coastal communities are still
advised to:

- > Stay away from the coast or beach;
- > Cancel all marine activities;
- > Be aware and follow the latest updates from PAGASA

NOTE: Inundation / flood depth due to storm surge depends on the topography of the area.
