

Tropical Storm Aghon 24 Hour Forecast

Philippine Atmospheric Geophysical
and Astronomical Services
Administration

Storm Surge Warning #02

Tropical Storm Aghon
Issued: 2:00 PM, Sunday
May 26, 2024

Storm Surge Warning #02

A MINIMAL to MODERATE risk of storm surge may occur in the next 24-hours. However, residents along the coast are advised to take extra precautions due to high waves in the municipalities of:

See Attached List

Recommended Action

Residents living in the low-lying coastal communities are still advised to:

- > Stay away from the coast or beach;
- > Cancel all marine activities;
- > Be aware and follow the latest updates from PAGASA

NOTE: Inundation / flood depth due to storm surge depends on the topography of the area.
