Subject: ADVISORY ON PHILGEPS WEBSITE'S INTERMITTENT PERFORMANCE

From: PS-PhilGEPS Advisory (advisory@philgeps.gov.ph)

To: sma_7374@yahoo.com;

Date: Saturday, November 14, 2015 4:01 PM

The PhilGEPS website (www.philgeps.gov.ph) is up and running but it continues to experience intermittent performance. We have been advised by our service providers that this is caused by the unusual surge of users accessing the website on account of the deadline of submission of requirements for the Performance-Based Bonus (PBB) of national government agencies and GOCCs.

As such, users may experience issues i.e., slow service or inaccessibility and inability to complete tasks such as posting or downloading during peak hours from 9:00 am to 6:00 pm. This is expected to continue until most of the agencies have finished updating their records for PBB purposes estimated by the end of November, where afterwards system stability is expected to resume.

We sincerely apologize for any inconvenience you may experience. Please bear with us as we are currently making all necessary arrangements to resolve the technical difficulties.

The PhilGEPS greatly appreciates your understanding of the situation.

For any assistance, you may visit us at the PhilGEPS office at Unit 608, Raffles Corporate Center, F. Ortigas St., Ortigas Center, Pasig City; call us at 640-6900 locals 8302 to 8314 or email us at agency@philgeps.gov.ph or supplier@philgeps.gov.ph.

Thank you.
