**SPECIAL WEATHER OUTLOOK FOR THE BONIFACIO DAY (NOVEMBER 30) AND NATIONAL COVID-19 VACCINATION DAYS
(NOVEMBER 29 - DECEMBER 01)
November 28, 2021**

Tomorrow until Tuesday (**29 - 30 November**) as the shearline moves gradually to the north, Batanes and Babuyan Island will experience cloudy skies with scattered rainshowers and thunderstorms. Metro Manila and the rest of the country will have partly cloudy to cloudy skies apart from some isolated rainshowers due to localized thunderstorms.

By Wednesday (**01 December**), a fresh surge of the "Amihan" will bring cloudy skies and light rains over Batanes and Cagayan. Metro Manila and the rest of the country will continue to experience partly cloudy to cloudy skies apart from some isolated localized thunderstorms mostly in the afternoon or evening.

No tropical cyclone is expected. However, this weather outlook will be updated if significant changes in the weather pattern occur.

For more information, please contact the Weather Division **(02) 896-4258** or check the agency's website at **bagong.pagasa.dost.gov.ph**
