WEATHER ADVISORY NO. 23

ISSUED AT: 11:00 AM, 21 July 2024

HAZARDS AFFECTING LAND AREAS

Today (July 21), the Southwest Monsoon enhanced by Tropical Cyclone "CARINA" will bring moderate to heavy rains (50-100 mm) over Zambales, Bataan, and Kalayaan Islands.

By Monday (July 22), heavy to intense rains (100-200 mm) are possible over La Union, Pangasinan, Benguet, Zambales, Bataan, and Occidental Mindoro while moderate to occasionally heavy rains (50-100 mm) are likely over Metro Manila, Ilocos Norte, Ilocos Sur, Abra, Pampanga, Bulacan, Rizal, Cavite, Batangas, and Calamian Islands.

By Tuesday (July 23), heavy to intense rains (100-200 mm) are still possible over La Union, Pangasinan, Benguet, Zambales, Bataan, and Occidental Mindoro while moderate to heavy rains (50-100 mm) may remain over Metro Manila, Ilocos Norte, Ilocos Sur, Apayao, Abra, Pampanga, Bulacan, Rizal, Cavite, Laguna, Batangas, and Calamian Islands.

Under these conditions, flooding and rain-induced landslides are likely, especially in areas that are highly or very highly susceptible to these hazards as identified in hazard maps and areas with significant antecedent rainfall.

The public and disaster risk reduction and management offices concerned are advised to take all necessary measures to protect life and property. PAGASA Regional Services Divisions may issue local Heavy Rainfall Warnings, Rainfall/Thunderstorm Advisories, and other severe weather information specific to their areas of responsibility as appropriate.

Unless significant changes occur, the next Weather Advisory will be issued at 11:00 PM today.
