## WEATHER ADVISORY NO. 64 (FINAL)

**For: Southwest Monsoon**

**Issued at: 11:00 AM, 31 July 2025**

The Southwest Monsoon is now less likely to bring significant rainfall over Northern Luzon. However, it will continue to bring scattered rains and thunderstorms over Ilocos Region, Abra, Benguet, Zambales, Bataan, Batanes, and Babuyan Islands in the next 24 hours. PAGASA Regional Services Division will continue to issue local thunderstorm advisories, rainfall advisories, or heavy rainfall warnings as needed.

With this development, this is the final advisory.
