WEATHER ADVISORY NO. 8 FINAL

For: Southwest Monsoon (Habagat)

Issued at: 5:00 AM, 08 July 2025

The Southwest Monsoon is now less likely to bring significant heavy rainfall over the western section of Northern Luzon. However, it will continue to bring scattered rains and thunderstorms over Metro Manila, Ilocos Region, Cordillera Administrative Region, Central Luzon, CALABARZON, Zamboanga Peninsula, BARMM, Batanes, Occidental Mindoro, Palawan, Antique, Aklan, Sultan Kudarat, and Babuyan Islands in the next 24 hours. PAGASA Regional Services Division will continue to issue local thunderstorm advisories, rainfall advisories, or heavy rainfall warnings as needed.

With this development, this is the final advisory.
